Description

Our meticulous attention to detail results in a quality reproduction Stoner/Univendor Candy Machine Coin return Lever from 1940's & 50's.

Fits most Stoner/Univendor Candy Machines manufactured prior to 1958. Finished in Yellow Zinc Plating and is almost identical to the Original Part!

This mounts to the vending stack behind the Coin Mechanism; at this time, we do not have the springs available, coming soon...

Also pictured with our Stoner/Univendor Coin Return Push Bar (Not Included).
