Description

Our meticulous attention to detail results in a quality reproduction Stoner/Univendor Candy Machine Display Back Plates.

Fabricated in mirrored stainless-steel like the originals! These fit into the individual display areas as seen in our reference photo.

Approximately 2 3/4" wide by 5 1/4" tall. Be sure to measure your plates for accuracy prior to ordering!

We offer these individually; so order how many you require depending on the number of selections for your Vintage Candy Machine.
